1	122	0	0	-1	-2	-1/2	0							0	2	68 1/2		I am excited that you are beginning to learn ss. Keep working hard and improving your horses skills. He needs to be more responsive to your body linage so you do not have to pull on him so much. Please do not ever stand right in front of your horse, this is a dangerous spot to be. Always stay to one side or the other. Keep up the hard work and you will be a great showman
